OUR ACADEMY

The ACADEMY OF DENTISTRY, TORONTO, has been functioning continuously since 1889. It has provided leadership and service to both the profession and the community, and will continue to do so in the future.

The OBJECTS of the Academy are:

1. Advancement of the art and science of dentistry.
2. To promote the highest ideals of dental practice.
3. Cultivation of harmony and good fellowship among its Fellows, and among the members of the dental profession generally.

Some of the specific services provided are as follows:

1. The Annual WINTER CLINIC.
2. After hours EMERGENCY TREATMENT service for the public.
3. The Annual INFORMATION BOOK, a directory of dental organizations.
4. The LADIES' AUXILIARY, which provides support for worthy dental projects, and various fellowship activities.
5. PUBLIC RELATIONS, a secretary to answer the public's queries and complaints.
6. An ELECTED COUNCIL, representing all Metro Toronto dentists and their local component societies.
7. CO-ORDINATION of dental and fellowship functions within Metro Toronto.
8. DENTAL MEETINGS with excellent programs and clinicians.
9. Assistance in formation of new STUDY GROUPS.
10. HONOURARY MEMBERSHIP to recognize outstanding dentists.
11. ARCHIVES for historical dental information.
12. Fellowship activities such as the Annual GOLF TOURNAMENT and CURLING BONSPIEL.
13. MEDIATION services for the public.
14. COMMUNICATION with dental auxiliary organizations.
15. LIAISON with local government and other community groups.
16. Provides an ASSOCIATE PLACEMENT service.

**THIS IS OUR ACADEMY.
KEEP IT STRONG.
SUPPORT IT, AND ENJOY IT.**

DR. RONALD F. MARTIN

Dr. Martin was born in the beaches area of Toronto where he received his elementary education. He finished grade 13 at Jarvis Collegiate and then worked in a dental laboratory for two years before entering the Dental School at the University of Toronto. He is this year celebrating his 25th year in private practice from the class of 5T6.

Dr. Martin is a past president of the Central Toronto Dental Society and the Crown & Bridge Study Club. He has served on the O.D.A. convention committee for the past twelve years and was Chairman in 1974 when the O.D.A. moved to the Sheraton Centre. He has presented clinics for the O.D.A., the Academy and the Crown & Bridge Study Club. He has also been an associate member of the Chicago Dental Society for sixteen years and a consistent member of the C.D.A. Dr. Martin is a member of the F.D.I. and served on the World Congress Committee which was held in Toronto in 1977. Dr. Martin is a Fellow of the International College of Dentists.

Dr. Martin is married 25 years to Anne Kemp and they have three children, David, Susan and Stephen. He can be found weekends tending to his landscaped pool which won a Canadian award in 1976, or skiing with his family when the season permits.

PRESIDENT'S MESSAGE

The Academy, made up of the four O.D.A. Societies of Metropolitan Toronto and its eighteen affiliate study clubs and associations, continues to provide co-ordination and leadership in continuing education and services.

The Winter Clinic, to be held this year on November 26th under the able leadership of Dr. Ron Traub, will feature Dr. Robert Shira as well as many other outstanding clinicians, and will prove to be of interest to all practitioners.

The First Stated Meeting, to be held on January 15, 1982 will feature Dr. S. Zifferblatt, an Associate of Mr. Nathan Pritikin of the Longevity Centre, California. This should be a most interesting meeting. The Annual Curling Bonspiel will be held at the Thornhill Country Club on March 5, 1982. Our Second Stated Meeting will be Wednesday, March 17, 1982 at CFB Borden and will be under the direction of the new Commandant, Lieutenant-Colonel E.D. Cragg. The Annual Golf Tournament is tentatively set for June 11, 1982 with the location to be announced.

Our Mediations Committees continue to do an admirable job and the Academy owes a debt of gratitude to our Chairman, Dr. Gilbert Chapnick, and our office executive secretaries, Mrs. R. Wagman and Mrs. K. DeZorzi for this and many other things such as Emergency Service.

A newly inaugurated Metropolitan Associate Placement Service has received much attention and success. The report on this service, United Way, Mediations and Emergency appears elsewhere in the Information Book.

I would like to thank all the Committee and Council members for their efforts on our behalf.

UNITED WAY REPORT

Initially I would like to thank all those dentists who contributed to the United Appeal. Without your consideration and conscious understanding of the broader objectives of its extension of social services, much of the deprivation intrinsic to the large Metropolitan Toronto region could not be relieved.

Last year the United Appeal did not set an objective; however the final contributions amounted to \$20,000,000 – a 10% increase over the previous year. Dentistry as represented contributed an amount equal to its previous year, thus in comparison we were some 10% below the average in total contributions. In relation to our fellow professions law, medicine, architecture, engineering, etc., we were below average. These figures are only useful if we as dentists can consider them and decide whether as members of our community we represent ourselves as truly caring for people and their condition.

This year the United Appeal will campaign again as it has in the past and will continue in the future. There will never be a situation in society when all the needs of all the people will be met, and least of all at this point in time. Perhaps as individual dentists it might be possible to examine the whole benefit picture rather than isolating small proportions that effect one individually as this has an effect of penalizing many for the idiosyncracies of a few.

Again, thanks to all contributors. The profession by your example can continue to sense pride in our public interest.

Donald A. Stewart, D.D.S.,

Chairman, Dental Division,

MEDIATIONS COMMITTEE REPORT

I am pleased to report that the number of complaints received by the Mediations Committee in the past year has declined and this is very gratifying. However, the complaints made by patients are becoming more complex to resolve. As a result, the members of our committee spend more time in attempting to reach a compromise between the dentist and patient.

There has been a great advancement in dentistry in recent years and the public has been made aware of this through articles and other media such as television, newspaper and magazines. As a result, patients have learned to expect the best in dental care and when treatment they have received is not to their complete satisfaction, a complaint is lodged. In many cases, the criticism or charge is not at all justified.

A major cause of complaints is due to a breakdown in communications between the dentist and patient. It is important to listen to the patient's dental request before explaining the treatment plan. The dentist must outline the treatment clearly. The careless use of a word or phrase can lead to patient misunderstanding or criticism.

In closing, may I extend thanks to the members of the Mediations Committee and the Academy office staff for their tireless efforts on our behalf.

GILBERT CHAPNICK, D.D.S.
Chairman, Mediations Committee

ASSOCIATE PLACEMENT SERVICE

This year, the Academy has initiated a much needed associate placement service in the Metropolitan Toronto area. This will be mutually beneficial to practicing dentists as well as to new graduates or others seeking part or full time positions.

This service will be continuous throughout the year. Anyone who requires the need for this service is requested to phone the Academy office at 967-5649 and leave their name and requirements.

To help facilitate the associate placement plan, we would ask that you inform the Academy office once your requirements have been met.

Len Shapira, D.D.S.

EMERGENCY SERVICE

The Academy Emergency Service has been quite successful this year. Presently there is a waiting list of dentists to join this service, which provides complete emergency care for patients until 1:00 a.m., 7 days a week. We encourage all component society members to use this service whenever the need arises.

If you are unable to see an emergency patient after hours, just call 924-8041 and the dentist on the emergency service will look after the problem.
